ELECTION COMMUNICATION

#STAND UP FOR WHAT MATTERS

This publication has not been paid for by big business or corporate interests, but has been supported and funded by ordinary people. Promoted by Dan Hill on behalf of Andover Green Party both at 76 Hedge End Road, Andover SP10 2DJ. Printed by Rob Parker of 16 Back Street, Winchester, S023 7DS

DAN SAYS...

“Seven years ago a government was elected to sort out this country’s finances. Yet over £50bn was added to our national debt in the past year alone. We are all paying the price of this failure with public services cuts: social care is in crisis, our NHS is underfunded, and now schools in Andover are set to lose millions of pounds by 2019. Don’t reward failure with your vote. Prioritise the provision of services for the benefit of us all, rather than the reduction of tax bills for the benefit of the rich. Build homes for living in, not obscene profits. Let’s make a sustainable society and tackle climate change.”

THIS ELECTION ISN'T ABOUT THE NEXT 5 YEARS. IT'S ABOUT THE NEXT 50 YEARS.

Only the Green Party is offering real opposition to this Government’s extreme Brexit. Only the Green Party has the vision to deliver an alternative future for our country, and our place in the world. And only the Green Party offers a different kind of politics.

Every Green vote on 8th June will help make that vision a reality.

To shape an economy for everyone while preserving a safe environment. To build affordable homes and provide properly funded public services. And to put power back in your hands through a citizen’s democracy.

If you agree with us, stand with us. The Conservatives think they have this election sewn up. But it’s in your hands. Stand with us for housing, schools, our NHS, our environment, and our future. We stand up for what matters. Vote Green Party on 8th June.
